- **IRGC/Military:** Imposes an asset freeze on IRGC and 15 affiliated companies and organizations.
- **Sanctioned:** Individuals and companies involved in nuclear or ballistic missile activities (*Amin Industrial Complex, Armament Industries Group, Defense Technology and Science Research Center, Doostan International Company, Farasakht Industries, First East Export Bank, P.L.C., Kaveh Cutting Tools Co., M. Babaie Industries, Malek Ashtar University, Ministry of Defense Logistics Export, Mizan Machinery Manufacturing, Modern Industries Technique Co., Nuclear Research Center for Agriculture and Medicine, Pejman Industrial Services Corp., Sabalan Co., Sahand Aluminum Parts Industrial Co., Shahid Karrazi Industries, Special Industries Group, Tiz Pars, Yazd Metallurgy Industries, Javad Rahiqi*); IRGC entities (*Fater Institute, Gharagahe Sazandegi Ghaem, Ghorb Karbala, Ghorb Nooh, Hara Co., Imensazan Consultant Engineers Institute, Khatam al-Anbiya Construction Headquarters, Makin, Omran Sahel, Oriental Oil Kish, Rah Sahel, Rahab Engineering Institute, Sahel Consultant Engineers, Sepanir, Sepasad Engineering Co.*); IRISL front companies (*Irano Hind Shipping Co., IRISL Benelux NV, South Shipping Line Iran*)

## Security Council Resolution 2231, Vote: 15-0 (July 20, 2015)

- **Final Nuclear Agreement:** Endorses the Joint Comprehensive Plan of Action (JCPOA) negotiated by Iran and world's six major powers – Britain, China, France, Germany, Russia and the United States. Calls upon all states to fulfill their obligations under the JCPOA.
- **Monitoring:** Requests the Director General of the IAEA to undertake the necessary verification and monitoring of Iran's nuclear-related commitments for the full duration of those commitments under the JCPOA. Allows monitoring and containing of the production, assembly and storage of centrifuges for 20 years and monitoring of uranium mines and mills for 25 years.
- **Reporting:** Requests the Director General to provide regular updates to the IAEA Board of Governors and, as appropriate, in parallel to the Security Council on Iran's implementation of its commitments under the JCPOA. Requests the Director General to report if he or she has reasonable grounds to believe there is an issue of concern. Requests that the Director General submit a report once the IAEA confirms that all nuclear material in Iran remains in peaceful activities.
- **Ballistic Missiles:** Calls on Iran not to undertake any activity related to ballistic missiles designed to be capable of delivering nuclear weapons, including launches using ballistic missile technology, until October 2023 or until the date on which the IAEA reaches the Broader Conclusion that all nuclear material in Iran remains in peaceful activities, whichever is earlier.
- **Nuclear:** Terminates all U.N. Security Council sanctions imposed on Iran's nuclear program since 2006 following IAEA verification of Iran's compliance and the peaceful nature of its program.
- **Arms:** Bans conventional arms transfers to Iran for five years or until the IAEA verifies that all of Iran's nuclear material remains in peaceful activities.
- **Travel:** Terminates all U.N. Security Council travel restrictions imposed on Iranian individuals since 2006 following IAEA verification of Iran's compliance and the peaceful nature of its nuclear program.
- **IRGC/Military:** Lifts all U.N. Security Council asset freezes of IRGC and Iranian military officials imposed since 2006 following IAEA verification of Iran's compliance and the peaceful nature of its nuclear program.

- **Banking and Finance:** Terminates all U.N. Security Council asset freezes imposed on firms or individuals since 2006 following IAEA verification of Iran’s compliance and the peaceful nature of Iran’s nuclear program.
- **Sanctions:** Terminates U.N. Security Council asset freezes imposed since 2006 on individuals associated with the above sectors following IAEA verification of Iran’s compliance and the peaceful nature of its nuclear program. Commits the European Union to terminate provisions of the E.U. Regulation. Commits the United States to cease the application of nuclear-related sanctions. Terminates provisions of U.N. resolutions 1696 (2006), 1737 (2006), 1747 (2007), 1803 (2008), 1835 (2008), 1929 (2010) and 2224 (2015). Retains mechanism for re-imposition of U.N. sanctions for 10 years in the event of Iran’s non-compliance.

[1] “Requires” indicates an obligatory action. “Calls on” indicates a recommended but voluntary action.
